

RE Curriculum Mission

**“I have come that they may have life and have it to the full”
(Jn 10:10)**

School follow the RED ‘To Know You More Clearly’ and this is being trialled from Sep 2023.

School follow the context of the directory and acknowledge that RE involves both faith and academic vision to seek understanding.

The reason we teach RE is to spread the Mission of Jesus and the Gospel. RE at St Columba’s School is not just an RE lesson; it allows us to ‘go out into all nations teaching and spreading the Word’

Our aim is to hand on and spread the Word of God which was why St Columba’s School was built over 100 years ago.

RE is a spiritual food to help children be FULL (Jn 10:10)

Our school has maternal care, like a mother, and we look at the needs in front of us each day to maintain the Mission.

The role of our staff are crucial as they have a key role in being witnesses to what they teach; we aim to use faith to bring the Mission to hearts.
