Target	Spending	Review
• To introduce a variety of sports to the children	Various coaches planned to come in for Football, Skills, Cricket, Tennis, Hockey, Karate and Rugby	Children were excited and interested by the variety of opportunity. They competed in competitions which improved self esteem and team spirit. Improvement can be seen in relation to teamwork.
• To improve striking and fielding/ attack and defence skills	Coaches to focus on development of skills in PE sessions	Data and observations demonstrate improvement in key skills. Higher ability children have provided feedback for those needing support. Progress is good in this area

To support mental health and well being	Karate and Yoga provided to support	Children in selected classes needed the sessions to support focus and well-being. Class progress has been supported because of the sessions
To provide CPD for teaching staff	Staff work alongside coaches to plan, deliver and observe	Teaching staff are confident at teaching a variety of sports due to the modelling of professionals
To promote active play throughout	New line markings on both the infant and junior playgrounds	Line markings have supported physical development and stamina. Children are moving around the playground for longer periods of time and fitness levels increasing
To help MDS to make dinnertimes more active	Line marking to support outdoor physical play at lunchtimes and playtimes to enable children to be more active. Training for dinner staff	Children are more lively and engaged in physical activity due to markings
